

Welcome to the Osseo/Maple Grove KinderCare

Our Infant Program

- ❖ Licensed for ages 6 weeks to 16 months
- ❖ Focuses on cognitive, social, physical, emotional and language skills through playtime and activities.
- ❖ Regular daily written and oral communication between teachers and parents, as well as weekly curriculum and picture e-mails sent to parents at home and or work.

Individual attention from our caring and nurturing teachers allows infants to feel safe and secure while they are taking their first steps and speaking their first words. Our program offers stimulating activities and group interactions that encourage play and exploration. Nurturing, personal care builds trust and self-esteem in a warm, supportive environment.

Our Toddler Program

- ❖ Licensed for ages 16 month – 3 years
- ❖ Perfect balance of nurturing, playtime and learning throughout the day.
- ❖ Monthly thematic units that provide a variety of daily activities and experiences.
- ❖ Learning areas focused on dramatic play, creative arts, language and sensory exploration.
- ❖ Regular daily written and oral communication between teachers and parents, as well as weekly curriculum and picture e-mails sent to parents at home and or work.

We encourage toddlers to learn through sensory experiences that emphasize their environment and relationships with each other. Our teachers balance group interactions with individual attention to help toddlers build social, cognitive, language and motor skills, along with self-esteem and self-help skills.

Our Discovery Preschool Program

- ❖ Licensed for ages 2 years – 3 years
- ❖ Perfect balance of nurturing, playtime and learning throughout the day.
- ❖ Monthly thematic units that provide a variety of daily activities and experiences focusing on preschool readiness.
- ❖ Learning areas focused on dramatic play, creative arts, language and sensory exploration.
- ❖ Regular daily written and oral communication between teachers and parents, as well as weekly curriculum and picture e-mails sent to parents at home and or work.

Our caring and experienced teachers reinforce developmental objectives through fun and engaging age-appropriate activities. Games, songs, movement, and art allow children to build skills and confidence, while providing time for child-directed play. Your child can explore and discover at his or her own pace, as well as practice social skills such as cooperation, sharing and taking turns.

Our Preschool Program

- ❖ Licensed for ages 3 years to 4 years.
- ❖ Observation-based assessments that demonstrate progress.
- ❖ Thematic units that encourage curiosity, self-direction and confidence.
- ❖ Math and science skills are heightened through hands-on experiences
- ❖ Small group and large group instruction
- ❖ Regular daily written and oral communication between teachers and parents, as well as weekly curriculum and picture e-mails sent to parents at home and or work.

Children are encouraged to explore and learn in a rich environment that promotes self-confidence and mastery of learning. Children develop and strengthen literacy, math and science skills through content-rich thematic units and engaging activities designed to combine learning and fun.

Our Prekindergarten Program

- ❖ Licensed for ages 4 years – 5 years
- ❖ Twice-daily small group instruction
- ❖ Preparation for kindergarten and success in school
- ❖ Development of a stronger vocabulary through letters and words.
- ❖ Independent and creative learning through hands-on experiences
- ❖ Fine Arts program studying paintings and techniques
- ❖ Regular daily written and oral communication between teachers and parents, as well as weekly curriculum and picture e-mails sent to parents at home and or work.

Children learn to share, cooperate and practice independence through a curriculum that is designed to meet state and national early learning standards. Our research-based program introduces children to projects, journaling, and alphabet letters and sounds. We encourage and support your child as he or she prepares for Kindergarten.

Our School-age Program

- ❖ Licensed for ages 5 years – 12 years
- ❖ Homework center allows for focus on lessons and homework after school. Teachers are here to provide guidance and encouragement.
- ❖ Classroom Council allows children to work in groups to select classroom activities.
- ❖ Workshops allow for in-depth exploration through engaging hands-on projects
- ❖ Daily fitness activities both indoors and outdoors
- ❖ Clubs where children can work independently or in a small group in the areas of literacy, math, science, art and music.
- ❖ Regular daily written and oral communication between teachers and parents, as well as weekly curriculum and picture e-mails sent to parents at home and or work.

Our innovative before and after school program was developed to meet the education needs of children, while providing convenience to families. Catch the Wave ® focuses on building character and enhancing social skills. It provides a broad variety of activities that offer children a fun way to spend time with friends before and after school.
