

## DISTRICT OF COLUMBIA UNIVERSAL HEALTH CERTIFICATE INSTRUCTIONS

This form replaces all physical examination forms dated before April 1, 2015. The District of Columbia Universal Health Certificate (DC UHC) is required annually for children enrolled in Child Development Facilities, Head Start, and DC public, public charter, private and parochial schools.

**Exception: The DC UHC does not replace EPSDT forms or the Department of Health Oral Health Assessment Form.** The DC UHC was developed by the DC Department of Health and follows the American Academy of Pediatrics (AAP) recommendations for child and adolescent preventive health care from birth to 21 years of age. **This form is a confidential document**, consistent with the requirements of the *Health Insurance Portability and Accountability Act of 1996 (HIPAA)* for health providers, and the *Family Educational Rights and Privacy Act of 1974 (FERPA)* for educational institutions.

**General Instructions:** Please use a black ball point pen when completing this form.

### Part 1: Child's Personal Information:

**Parent or Guardian:** Please complete all of your child's personal information including the child's last name, first and middle name, date of birth and gender. Also include your name, phone number, home address, the ward in which your address is located, and the name and phone number of an emergency contact in case you cannot be reached. Provide the name of the school or child care facility. Check the box that describes your child's type of health insurance coverage. In addition, please provide the name of the insurance company and the child's identification number in the space provided. Write the name of the child's licensed health practitioner/primary care provider (doctor or nurse practitioner). If your child does not have a particular licensed health practitioner who provides care, write "none" in the space provided. **This form will not be complete without the parent or guardian's signature in Part 5.**

**Part 2: Child's Health History, Examination & Recommendations: (To be completed by the licensed health practitioner).** Please mark all relevant boxes.

- **Date of Health Exam:** All children must have a physical examination conducted by a physician, or nurse practitioner (some nurse practitioners also use the Advanced Practice Registered Nurse or APRN credential), as per the AAP recommendations, and DC Official Code § 38-602(a). The date entered here must indicate the actual date of the examination.
- **WT:** Child's weight in either pounds (LBS) or kilograms (KG); **HT:** Child's height in either inches (IN) or centimeters (CM).
- **BP:** If a child is three (3) years of age or older, write the blood pressure value in the box and check if normal or abnormal. If abnormal, provide an explanation and resolution in Part 2: Section A.  
**Body Mass Index (BMI):** If the child is two (2) years of age or older, the BMI has to be calculated and recorded inclusive of percentile. BMI is a measurement calculated from a child's weight and height.
- **HGB/HCT:** Hemoglobin (HGB) or Hematocrit (HCT) is **required for all children under six (6) years of age.** Also, in accordance with AAP recommendations, anemia screening is recommended for menstruating girls. Please record the blood level and indicate which test was performed by encircling HGB, HCT or both.
- **Vision and Hearing Screens:** Children should begin receiving regular objective vision screens at age three (3), and objective hearing screens at age four (4). If an objective screen cannot be completed, but there is cause for concern, provide an explanation and resolution in Part 2, Section A.
- **HEALTH CONCERNS:** The health care provider must perform the following health screens: asthma, seizure, diabetes, language, developmental/behavioral and other disorders that may require special health care needs." For any of the health screens where there are "HEALTH CONCERNS," the health care provider must check the box indicating that the proper referral has been made or the child is currently being treated (Under Rx) for the concern. If there are NO/NONE "HEALTH CONCERNS", then check the 'NO' or "NONE" box in each health screening area.
- **SPECIAL NOTE:** "Dental Exam" – The health care provider must indicate whether a dentist has screened or examined the child within the last 12 months. If "No", the child should be referred to a dental home. The American Academy of Pediatrics and the American Academy of Pediatric Dentistry recommend that children begin visiting the dentist within six (6) months of the eruption of the first tooth or by 12 months of age, and every six (6) months thereafter. For children under three (3) years of age, a licensed health practitioner may provide fluoride varnish applications if a dental home has not yet been established. Fluoride varnish applications are not required for entrance to child care or school.
- **A:** Please note any significant health history, conditions, communicable illness and restrictions that may affect the child's ability to perform in a school-related activity or program or mark "NONE".
- **B:** Please note any significant allergies that may require **emergency medical care** at a school-related activity or program or mark "NONE".
- **C:** Please note any long-term medications, over-the-counter drugs or special care requirements at a school-related activity or program or mark "NONE".
- **SPECIAL NOTE:** Please note any medications or treatments required at a school-related activity or program in Part 2: Section C and complete a Medication Plan or Licensed Practitioner's Medication Authorization Order and attach it to the DC UHC.

**Part 3: Tuberculosis & Lead Exposure Risk Assessment & Testing:** • **TUBERCULOSIS (TB) RISK ASSESSMENT:** Perform a risk assessment for TB as defined by the *AAP Tuberculin Skin Test Recommendations for Infants, Children and Adolescents in the most recent AAP RED BOOK, and in accordance with DC Official Code § 38-602 (c) (1) Examination Requirements and DCMR 29-325.3 (g) Public Welfare, Child Development Centers.* Current DC regulations require that all children attending a child development facility (CDF) or school undergo a comprehensive annual physical examination inclusive of a tuberculosis exposure risk assessment, which is documented on the DC UHC. A tuberculin skin test (TST) should only be conducted upon recognition of **high risk factors** for exposure to tuberculosis. For children who are assessed as **HIGH RISK OF EXPOSURE**, please conduct the TST and mark the test outcome (negative or positive). **If the TST is positive**, then mark the chest X-Ray outcome (CXR) and if the child is treated mark the "treated" box. **All positive TSTs of children younger than five (5) years of age must be reported to the DC T.B. Control Program on 202-698-4040.** If the child is assessed as having a low risk of exposure, mark "low" in the box. **Please note that universal tuberculin skin testing of children entering CDFs and schools is neither recommended nor required.**

• **LEAD EXPOSURE RISKS:** Every child less than six years of age must be tested twice for lead, regardless of perceived exposure risk. Please document both the "Date" and "Result" of the most recent lead test on the DC UHC. Please indicate if "Pending." "Pending" results will be **valid for two months from the date of testing** and will not cause a child to be excluded from school-related activities or programs. The 'Certificate of Testing for Lead Poisoning' may also serve as test documentation and is available on the DDOE website: <http://ddoe.dc.gov/publication/lead-screening-guidelines>. **ALL lead tests must be reported electronically by labs to the DC Childhood Lead and Healthy Housing Program. For detailed instructions, call 202-654-6036/202-535-2624. Providers may fax results to secure fax: 202-535-2607.** Please include the name, address, and phone numbers of the licensed health practitioner and parent/guardian.

**Part 4: Required Licensed Health Practitioner's (physician or nurse practitioner) Certification and Signature: Providers remember to print your name and use the office/clinic stamp. Licensed health practitioner please respond by marking "Yes" or "No" to the following statements:**

The child was appropriately examined with a review of the health history;

The child is cleared for competitive sports (based on the assessment and consistent with the AAP Pre-participation Physical Evaluation; and the child has received age-appropriate screenings (in accordance with AAP recommendations and EPSDT guidelines) within the current year. If "No" is marked, explain the reason in the space provided. All information will be kept confidential.

**Part 5: Required Parent/Guardian Signatures. (Release of Health Information).**

**The parent or guardian must print their name; provide a signature and the date.** By signing this section the parent or guardian gives permission to the licensed health practitioner to share the health information on this form with the child's school, child care facility, camp, or appropriate DC Government agency.

Forms are available online at [www.doh.dc.gov](http://www.doh.dc.gov)

Access public health insurance programs at [www.dhcf.dc.gov](http://www.dhcf.dc.gov) You may contact the School Nurse through the main office at your child's school

## DISTRICT OF COLUMBIA UNIVERSAL HEALTH CERTIFICATE

### Part 6: IMMUNIZATION INFORMATION

**General Instructions:** Please use black ball point pen when completing form

**Child/Student Personal Information:** Print clearly child/students last name, first name, and middle name/initial. Enter date of birth as mm/dd/yr. Indicate sex of child/student by checking female or male. Indicate name of school or child care facility child attends.

**Section 1: Immunization Information** – Enter clearly the date (mm/dd/yy) vaccine(s) administered or attach equivalent copy with provider's signature, address, phone number and date. Vaccine doses must be appropriately spaced and given at appropriate age. Vaccine doses administered up to 4 days before minimum interval or age are counted as valid. Exception: Two live virus vaccines that are not administered on same day must be separated by a minimum of 28 days.

Students shall be immunized in accordance to D.C. Law 3-20, "Immunization of School Students Act of 1979" and DCMR Title 22, Chapter 1 and the Immunization Schedule developed and published by the Centers for Disease Control (CDC), Advisory Committee on Immunization Practices (ACIP), the American Academy of Pediatrics (AAP), and the American Academy of Family Physicians (AAFP).

**Requirements – For immunization requirements for District of Columbia School and Child Care Facility attendance, consult the Department of Health Immunization Program website at <https://immunization.doh.dc.gov/irswebapp/home.jsp>.**

Immunization requirements are subject to change.

**Section 2: Medical Exemption** – Complete this section if there exist a medical contraindication which prevents the child from receiving one or more immunizations in a timely manner consistent with D.C. Law 3-20 & ACIP recommendations. Check all contraindicated vaccines and provide a reason for contraindication. If the medical exemption is permanent, check appropriate space. If medical exemption is temporary, check the appropriate space and enter the date it expires. Medical provider must sign, print name, address, phone number or stamp and date this section.

**Section 3: Alternative Proof of Immunity** – Complete this section if blood titers are used to show proof of immunity. Check vaccine(s) which blood titer were obtained. Attach a copy of the titer results. Medical provider must sign, print name, address, phone number or stamp date this section.
