Tuition fees are increased at the beginning of each new school year and is announced no later than mid-August. The WBCC follows the WB's closings and early release decisions. In addition, the Center is closed for additional days and is pre-determined each school year - refer to the school calendar for the schedule. No refunds are made to the tuition fees for any absence, vacation, holiday, snow days or Center closures.

Tuition fees are paid in advance and are due on the 1st day of each month. Any unsuccessful deduction (eg, no sufficient funds, account closed, etc) will be assessed a \$25 fee against the family's account. Confirmation of successful deduction will be your bank/debit/credit card statements. A late fee of \$60 will automatically be charged if the tuition fees are not paid by the 15th of each month. If the tuition fees continue to be unpaid, the outstanding tuition fees and late fees will be deducted from the staff's future paycheck from WBG.

The WBCC's tuition fees already incorporates the meals served to children from toddler aged and older. WBCC serves organic milk, cheese, yogurt & selected fruits. Please refer to our sample [Menu](#) for the current selection of fruits that have been switched to organic. All other fruits and vegetables will be traditionally sourced, and will NOT be organic.
